

Spare Parts Price List

Price before work	Same technician, every time	Written prices, no surprises
Technician sends the exact estimate on WhatsApp. Work starts only after you approve.	A local team you can call back — not a different stranger on each visit.	This list is what you pay. No hidden conveyance, no on-the-spot markup.

Part prices only, inclusive of GST. Labour and visit charge are extra and told to you before any work starts. Genuine parts with warranty as per brand. Prices may change without notice. Warranty — installation: 7 days, repair work: 7 days.
